Over 150 pieces of chicken were eaten, 10 cases of beer, 7 cases of soft drinks and 4 gallons of wine were consumed. 80 pounds of charcoal were burned taking 3 cases of lighter fluid to start the fire (apparently we didn't know all we thought we knew about starting barbecue fires.)

thanks to.....

PEG CAMPBELL for running all the little errands (and big ones) in getting things set up.
NANCY McINTYRE for helping set up.
HERB ELPHICK and DAN THATCHER for getting more charcoal lighter fluid.
BARBARA REYNOLDS and CANDY WHITNEY for feeding the cooks with cold beer.
BYRON McINTYRE for keeping the drinks iced down and full.
STEVE HENDERSON and ARTHUR MOORE for getting more chicken.
JIM FILICHIA for supplying and setting up the volley ball games.

All the FIRST MATES for their delicious covered dishes.
