A yacht sailing in the Cruiser Class shall have an identifying sail number on her mainsail.

3.2 Yachts that do not have a current PHRF rating assigned by the FCSA may obtain a new rating (\$35.00 first-time annual fee) or may renew their rating (\$30.00 fee) at the Race Committee boat staging area the evening before the race.

7.0 NOTICES TO COMPETITORS

7.1 Notices to competitors and changes to this Notice of Race and Sailing Instructions will be announced on VHF channel 72 at 0820 hours race day.

8.0 THE COURSE

8.1 Start in the vicinity of St. Johns entrance buoy "G3" (N 30° 23.72' - W 81° 21.64'). Proceed southerly to the St. Augustine Sea Buoy "STA" (N 29° 54.97' - W 81° 15.26'), keeping "STA" to starboard.

9.0 THE START and FINISH

9.1 The start line will be between an orange flag on the race committee boat and a pin-end buoy. The race committee may use river entrance buoy "G3" as a substitute for the pin-end buoy.

9.2 Once the race committee boat is on station at the start (indicated by display of the orange start line flag), yachts shall check in with the race committee prior to the warning signal of the first class by sailing past the stern of the race committee boat on starboard tack and hailing her sail number. Alternatively, yachts may hail the race committee boat on VHF channel 72. Yachts failing to check in prior to their class's warning flag will be scored DNC.

9.3 The race will be started in accordance with RRS 26 with the warning signal given five minutes before the starting signal. The warning signal for each succeeding class will be made 5 minutes after the starting signal of the preceding class.

9.4 The warning/class flag for the combined start of the Spinnaker and Non-Spinnaker classes will be green. The warning/class flag for the Cruiser class will be yellow. The determination of which group will start first will be made by the Race Committee after the start line is set.

9.5 The preparatory flag for all classes will be the "P" flag.

9.6 Yachts whose warning signal has not been made shall avoid interfering with yachts preparing to start.

9.7 Individual and general recalls will be in accordance with RRS 29. In addition, the race committee will attempt to announce over VHF channel 72 the sail numbers of premature starters. If a general recall is signaled, the order of starts will not change; all subsequent starts will be delayed correspondingly. *(All VHF announcements are only an aid to competitors and are supplementary to any flag signals. Failure by the race committee to make any such announcement will not be grounds for redress.)*

9.8 Yachts failing to cross the starting line within 45 minutes of their start signal will be scored DNS.

9.9 If a postponement is signaled by display of the "AP" flag, the warning signal for races not yet started will be made not more than 10 minutes after "AP" is lowered.

9.10 If the race committee boat is on station at the finish, the finish line will be between an orange flag on the race committee boat and the St. Augustine Sea Buoy "STA".

9.11 **If the race committee boat is not on station at the finish (a likely scenario),** a yacht shall record her own finish time (to the second) with "STA" to starboard, when she is within 250 feet of "STA", and when "STA" bears 270 degrees magnetic when viewed from the helm station. All three conditions must be met to have a valid finish. *(Pretend as though there is a 250 ft long east-west finish line: for a 25 ft boat, that's 10 boat lengths, for a 33 ft boat, that's 7.6 boat lengths, etc.)* **Do not use GPS time.** As a courtesy, the finishing yacht should simultaneously sound a horn to indicate she has finished racing. When possible, note the sail numbers and times of yachts finishing ahead and behind (hence the courtesy horn). As soon as practical after the yacht's arrival at the St. Augustine Municipal Marina, a yacht's timekeeper shall report in person to the race committee bringing their timepiece with them. If a yacht is not docking at the Municipal Marina, a yacht's timekeeper shall contact the race committee on VHF channel 72 as soon as practical after finishing to report its finish time. If unable to communicate with the race committee by radio for this purpose, a yacht's timekeeper may telephone the race committee at 904-237-7785.

9.12 There will be no time limit for the race.

10.0 PENALTIES AND PROTESTS

10.1 The two-turns penalty will apply in accordance with RRS 44. Any yacht which exonerates herself from a minor foul in this manner shall notify the Race Committee of such action after finishing.

10.2 All protests shall be submitted in writing on a standard US-Sailing Protest Form to the Race Committee within 2 hours of the yacht arriving at dock; or, if the committee boat arrives after the protesting yacht, then within 2 hours of the committee boat arrival (which will be indicated by a single long horn blast). The Race Committee will make blank forms available. Notice of protest must also be given immediately after finishing by hail on VHF channel 72, and acknowledged by the Race Committee. If unable to communicate with the Race Committee by radio for this purpose, a yacht should telephone the race committee at 904-237-7785.

11.0 TROPHIES

1st, 2nd, and 3rd place trophies with yacht name will be awarded in each class for which there are 5 or more entered yachts.

1st and 2nd place trophies with yacht name will be awarded in each class for which there are 4 entered yachts.

1st place trophies with yacht name will be awarded in each class for which there are 3 or fewer entered yachts.

12.0 POST-RACE

Race results will be posted on the NFCC website www.nfccsail.com and the FCSA website www.sailjax.com.
