### Special Request Concerning Use of Rudder Club Facilities:

The Rudder Club has graciously allowed us the use of their facilities for this race, due to a conflict with a scheduled event at Whitney's Marine. The Rudder Club has previously scheduled a series of one design races for the same day and the PHRF races will run at approximately the same time. We ask that all PHRF yachts approach the Rudder Club docks from as far south as practical so as to leave the area of one design racing clear. All yachts should dock on the outside of the eastern most dock (which runs north/south) unless otherwise directed. Your cooperation with this request is greatly appreciated.
