

It is time!  
Time to register for the **2015 Lipton Cup** 17th to 19th April  
sponsored by Smyrna Yacht Club.

There is only one sailing event in the Southeast where you have a chance to have your name engraved for posterity on an historic Lipton Cup Trophy.

Most sailors know about The America's Cup and the several America's Cup challenges by Sir Thomas Lipton. He was also well known for donating beautiful trophies in a number of locations around the world with the intent of promoting the sport of sailing. Such a historic trophy sits in the trophy case at Smyrna Yacht Club.

April 17 through 19 will be the twelfth consecutive Lipton Cup Regatta since its revival in 2004. The competition will be strong, but the reward is priceless.

We also have a team trophy that is currently held North Florida Cruising Club. To qualify for the team competition, you need three boats to enter the Regatta – at least one in each of three classes.

The Lipton Cup Regatta has become a community event, enjoying wonderful support from the New Smyrna Beach business community. The races will be conducted just off the beach and will be viewable by spectators. We have a Sky Box, for spectator viewing available to guests of skippers that enter the regatta. Our great sponsors have allowed us to keep the cost low, \$50 per entry, so that anyone with a suitable boat can enter. Each skipper and crew member and their guests are invited to attend a great free party and rum pour Friday night and a free Awards Party on Sunday evening.

In addition The Beu Sisters will perform at our Saturday night dinner.

If you had a rating last year you can apply direct to FCSA for a renewal. ( [www.sailjax.com](http://www.sailjax.com) )

# **NOTICE OF RACE**

## **2015 Lipton Cup Regatta**

**April 17, 18, and 19, 2015**

**The Smyrna Yacht Club Race Committee is making two changes for 2015.**

**We are cancelling the previous rule which required a boat that had won the Cruising Division III in previous Lipton Cups to move up to Division II.**

**Cruising Boats in Division III may fly a spinnaker. Competitors must declare their intention to fly a spinnaker and will be handicapped accordingly.**

### **Clarification of the Team Trophy**

**To compete in the Team Challenge the organization must have at least three boats entered in the Lipton Cup. The organization must notify the Race Committee as to which boats are representing them before the first race.**

**There is no limit to how many boats an organization may enter and the boats do not have to be entered in all divisions. They could, in theory, all be entered in one of the Divisions. Clearly, entering boats in all divisions increases the opportunity for improved team scores.**

**Competitors do not have to be in a team to enter the Lipton Cup – this clarification only applies to those competing for the Team Challenge.**

# **NOTICE OF RACE**

## **2015 Lipton Cup Regatta**

**April 17, 18, and 19, 2015**

The 2015 Lipton Cup Regatta, sponsored by Smyrna Yacht Club (SYC), will accommodate three offshore racing divisions, during a fun weekend. It is our hope that participants will leave our beautiful facility, with a sincere appreciation of the hospitality extended by the membership of our club. We feel that the historical significance of this prestigious cup will grace the weekend with the spirit intended by its donor. The weekend is planned to promote competition and camaraderie, in an ambiance of yacht racing.

Owners, crews, and spouses are invited to the cash bar cocktail parties..

### **RULES**

The regatta will be governed by the rules as defined in the Racing Rules of Sailing (RRS) in effect at race time.

### **ELIGIBILITY/DIVISIONS**

The regatta is open to all sailboats of suitable seaworthiness to participate in near shore racing in the Atlantic Ocean. The seaworthiness of a boat is solely determined by the person entering the boat.

Boats will be entered into four Divisions.

Division I - Boats with spinnakers.

Division II - Boats without spinnakers.

Division III - Cruising boats with or without spinnakers.

See 'Team Challenge' under 'Awards' below.

### **SAILING INSTRUCTIONS**

Sailing instructions are contained in the "Race Instructions" document which is available on the web page or in print.

### **VENUE**

All courses will be set south of Ponce Inlet off of the City of New Smyrna Beach in the Atlantic Ocean.

## **COURSES**

Courses to be sailed will be listed in the sailing instructions.

## **HADICAPPING**

Racing will be handicapped according to the PHRF system administered by First Coast Sailing Association. Smyrna Yacht Club will act as intermediary for those sailors, who do not have a FCSA certificate. If you had a FCSA certificate in 2014 you may apply direct for a renewal. Competitors should submit their FCSA certificate with their regatta application.

## **SCORING**

Scoring will be done according to Appendix A of the Racing Rules of Sailing. The Low Point System will be used. Three races are scheduled. Only one race must be completed to complete the regatta. All races completed will be scored. No scores will be excluded. Ties will be broken according to A8.

## **BERTHING**

SYC Dock master will provide slips as available on a first request basis. Ample anchorage is also available and ferry service will be provided if needed. Please call Smyrna Yacht Club (386-427-4040) to make reservations.

## **RADIO COMMUNICATIONS**

Except in an emergency, no vessel shall make or receive radio transmissions not available to all competitors. This restriction also applies to mobile telephones.

## **AWARDS**

Trophies will be awarded to the first three places in each division. The winners of each division will be inscribed on the base of the historic Lipton Cup which is displayed in perpetuity in the Smyrna Yacht Club trophy case.

Team Challenge - Any existing organization, such as a yacht club, sailing club, etc., is eligible to participate in the team challenge. To compete in the team challenge, the organization must have at least three boats entered in the Lipton Cup Regatta. There is no limit to the number of boats that may be entered by each organization. A perpetual trophy will be engraved with the name of the winning organization and will be held in possession of the winning organization until the following year's regatta. The winning organization will be known as the Lipton Cup Team Challenge Champion for the duration.

## DISCLAIMER OF LIABILITY

Competitors participate in the regatta at their own risk. See Rule 4 of the RRS "Decision to Race." The organizing authority will not accept any liability for material damage or personal injury or death sustained in conjunction with or prior to, during, or after the regatta.

## INSURANCE

Each competitor shall be insured with third party liability insurance with a minimum cover of \$300,000 per event or the equivalent.

## 2015 Lipton Cup Sailing Instructions

The Lipton Cup Regatta will be held under the authority of the Smyrna Yacht Club Lipton Cup Race Committee. It will be governed by the International Sailing Federation (ISAF) Racing Rules of Sailing and the prescriptions of US Sailing and the 2015 Lipton Cup Regatta Sailing Instructions.

### Racing Divisions

The race will be split into three separate Divisions.

Division I	Racing – Spinnaker Class. Boats with unlimited sails, including spinnakers, and Mylar or Kevlar sails.
Division II	Racing – Non Spinnaker Class. All boats that regularly participate in racing but do not fly spinnakers. They may have Mylar or Kevlar sails.
Division III	Cruising Class. Boats must have all Dacron sails. Boats may fly a spinnaker; however competitors must declare their intention to fly a spinnaker and will be handicapped accordingly.

Whisker poles are permitted in all Divisions. All participants will complete the entry form and the First Coast Sailing Association PHRF Rating Questionnaire. The Lipton Cup Race Committee will manage the obtaining of PHRF ratings for the regatta and assist entrants with the completion of the Questionnaire if necessary. Participants with a FCSA rating only need submit their rating certificate.

### Team Challenge

Any existing organization, such as a yacht club, sailing club, etc., is eligible to participate in the team challenge. To compete in the team challenge, the organization must have at least three boats entered in the Lipton Cup Regatta. The organization must notify the Race Committee as to which boats are representing them before the first race. There is no limit to the number of boats that may be entered by each organization and they can be in any division. A perpetual trophy will be engraved with the name of the winning organization and will be held in possession of the winning organization until the following year's regatta. The winning organization will be known as the Lipton Cup Team Challenge Champion for the duration. In order to determine the winning organization, the combined score of the best three boats entered by that organization will be used. See scoring.

### Skippers Meeting

There will be a general skipper's meeting at the SYC Tiki Hut at 5:30 pm on Friday. The sailing instructions will be explained and questions will be answered. Attendance is optional. Skippers are responsible for understanding the sailing instructions prior to race time. An additional skippers' meeting will be held at 8:00 am on Saturday at the SYC Tiki Hut. Attendance is recommended, but is optional.

Monitor channel 72 for one half hour before the race. Important information, schedule changes, and course changes will be broadcast. All boats must check in with the Committee Boat prior to the start of the racing sequence.

### Scoring

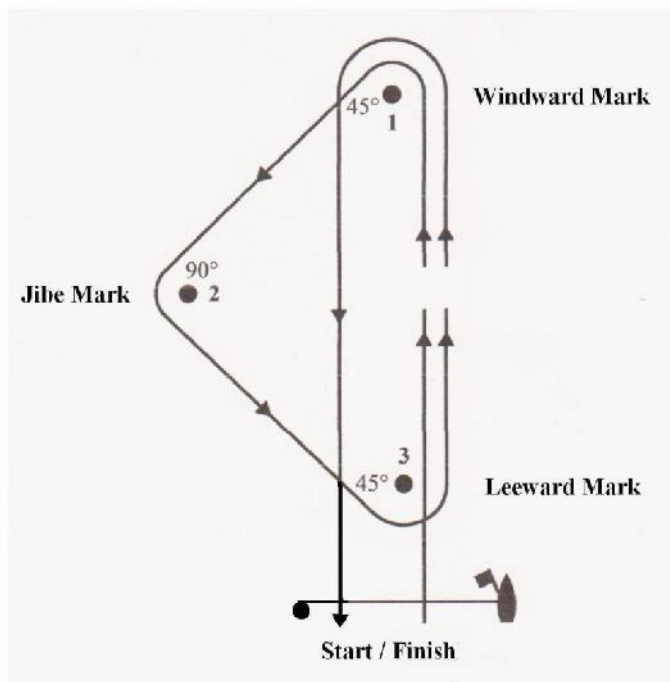

Scoring will be done according to Appendix A of the Racing Rules of Sailing. The Low Point System will be used. Three races are scheduled. Only one race must be completed to complete the regatta. All races completed will be scored. No scores will be excluded. Ties will be broken according to A8. Team challenge ties will be broken according to the racing rules of sailing.

### The Course

The races will be held on the ocean approximately two miles south of Ponce Inlet, just off Flagler Ave. in New Smyrna Beach. For the first race on Saturday and the race on Sunday, one of three courses may be used. The windward leg will be approximately 2.0 nm. The second race on Saturday will be down the beach from the area near Ponce Inlet to a turning buoy (rounded to port) just off Flagler Avenue and return to a finish line near Ponce Inlet. The Race Committee has the option to shorten or change the course depending on conditions.

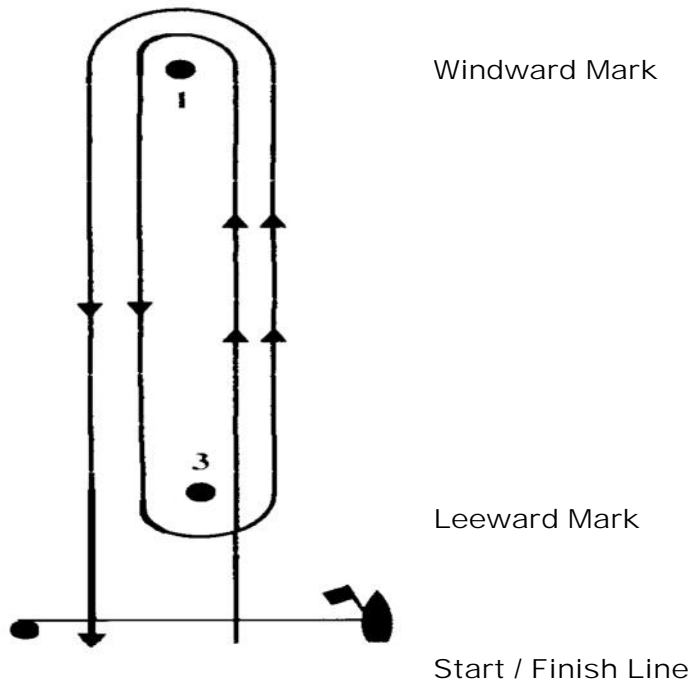

Course One is a counter clockwise rounding of the marks and is described below. All marks are rounded leaving the marks to port.

### Triangle - Windward - Leeward

Course Two is a mirror image of course one with the JIBE MARK set to the right side of the course. All marks are rounded leaving the marks to starboard.

Course Three is a windward, leeward course. All marks are rounded leaving the marks to port.

Please note that the leeward mark, mark 3, is only used as a turning mark. It is ignored at start and finish.

Division III Cruising Boats, will sail a shorter course. The last windward and leeward legs of Course 1 and/or 2 will be eliminated. That means for Course 1 and 2, Division III boats will sail from the START LINE to the WINDWARD MARK to the JIBE MARK and directly to the FINISH LINE ignoring the LEEWARD MARK. For Course 3, Division III boats will sail from the START LINE to the WINDWARD MARK and directly to the FINISH LINE ignoring the LEEWARD MARK and a second rounding of the course.

The course will be announced by the Committee Boat on channel 72. The course may be changed, shortened, postponed, or cancelled at the discretion of the Race Committee. It is the responsibility of each skipper to decide whether to retire due to inclement conditions, not the Race Committee.

### Starting Sequence

Divisions III will start first. Divisions I & II will start as soon as Division III boats are clear. Watch for the raising of the Class flag. (Please note that the new starting sequence in the Racing Rules of Sailing is being used.)

Saturday – Race 1: T = 1030 (or as announced on channel 72 by RC)

Saturday – Race 2: T = announced by RC. Stay close to the starting area.

Sunday : T = 1100 (or as announced on channel 72 by RC)

TIME	CONDITION OR SIGNAL
T	Class Flag raised for Division III (white) and one sound signal.
T + 1 min.	Preparatory Flag raised, one sound ('P' flag).
T + 4 min.	Preparatory Flag removed, one long sound.
T + 5 min.	<u>Start</u> - Class Flag (white) removed, one sound.
T = As soon as Division III are clear.	Class Flag raised for Division I & II (red) and one sound signal.
T + 1 min.	Preparatory Flag raised, one sound ('P' flag).
T + 4 min.	Preparatory Flag removed, one long sound.
T + 5 min.	<u>Start</u> - Class Flag (red) removed, one sound.

The Preparatory 'I' flag (a yellow flag with a black circle) will be displayed. If any part of a boat's hull, crew or equipment is on the course side of the starting line or one of its extensions during the last minute before her starting signal, she shall thereafter sail from the course side across an extension (around the end) to the prestart side before starting. A Sierra flag (a white flag with a blue rectangle) and the sounding of two horns on the Committee Boat will signal SHORTEN COURSE. The Committee Boat will announce details via channel 72. See the Racing Rules of Sailing for other signal flags.

### Safety

All boats shall carry the safety equipment required by their class, and by the United States Coast Guard. Skippers are responsible for the safety of their boats and crews. Weather permitting, SYC patrol boats will cover the racing area to control non-participating water craft and to render assistance to any participating boat in need. All skippers are urged to employ common sense and safe boating procedures. Those not following direction by the Race Committee, or SYC patrol boats, may be subject to disqualification. Please remember that VHF channel 16 is for EMERGENCY USE ONLY, and is constantly monitored by the U.S.C.G. SYC patrol boats operations will be coordinated on VHF channel 72.
