

26th Annual Single Handed Regatta of Jacksonville

A.K.A. Annual Bull Bay CC - Single Handed Race

Come Show off your Single handed Skills for all to see!

Drink some rum & some beer,
Just make sure you can still steer!
We look forward to seeing you here!
First across the line might win a prize,
But more importantly a time honored tradition will not die!
Don't like Racing? Neither do we,
But if you're at anchor and I pass you, I win, you see!
So have no fear,
Give your boat a respite from the dock,
Let it flirt with your single hand and all it's skill,
Sharing the joy with other sailors looking for a small day of thrill.
It's simple you see, come sail next to us and enjoy the glee,
With food and rum waiting for thee,
When you return from the challenge of a brackish sea,
Along with jest and bantar from other sailors who love their Vessels!
If you have no boat but want to share,
Come out and give the sailors a heart-felt stare.
What more must we say for you to join us on this refreshing Florida day?
Oh! There will be some food.

Notice of Race

1.0 RULES

1.1 Sailing vessels participating in this event are to follow the inland navigation rules (Rules of the Road) of navigation. That's the only rule! Well...set of rules.

2.2 Eligible boats may enter by completing registration (below) with Alex Madsen: alexander.madsen@floridafinancialgroup.com

2.3 All boats will race in a single class using a rating system parallel to the FCSA PHRF by the 'The Handicapper'. Just show up and sail! The sailing Gods will take care of the rest. That and some beer money for committee boat!

3.0 CLASSES

3.1 If it floats and has a sail, it's classy. All boats will race in a single class under a rating system parallel to the FCSA PHRF system created by the 'The Handicapper'. If you want to throw out a spinnaker, good luck with that. We'll try to save you if we can, but we suggest a backup survival plan.

8.2 Persons in charge with limited single handing experience are cautioned to withdraw if conditions are not favorable, lest Rán have her way with you.

8.3 It is mandatory that all participants wear a lifejacket or inflatable vest. A floating beer cooler tied to your waist works as well too! And, as you drink the beer waiting for your rescue, the cooler's buoyancy increases! It's a win-win in a losing situation.

Unless you run out of beer and your buzz wears off before help arrives!

9.0 RACE PRIZES

9.1 First, Second, and Third Place prizes will be awarded at after the race, unless we spent all the money on food and beer!
