NOTICE OF RACE

2019 Lipton Cup Regatta

April 5th – 7th 2019

The 2019 Lipton Cup Regatta, sponsored by Smyrna Yacht Club (SYC), will accommodate three offshore racing divisions during a fun weekend. It is our hope that participants will leave our restored club with a sincere appreciation of the hospitality extended by the membership of our club. We feel that the historical significance of this prestigious cup will grace the weekend with the spirit intended by its donor. The weekend is planned to promote competition and camaraderie in an ambiance of yacht racing.

Participants will receive two free tickets to the “All Hands On Deck Jamboree” at the Springhill Suites Hotel on the beach at the end of Flagler Avenue. This event will take place during racing on Saturday 6th April and these tickets are provided for competitors’ guests and family, who are not part of the crew.

Owners, crews, and spouses are invited to all the other cash bar SYC cocktail parties.

RULES

The regatta will be governed by the rules as defined in the Racing Rules of Sailing (RRS) in effect at race time.

ELIGIBILITY/DIVISIONS

The regatta is open to all sailboats of suitable seaworthiness to participate in near shore racing in the Atlantic Ocean. The seaworthiness of a boat is solely determined by the person entering the boat.

Boats will be entered into three Divisions.

- Division I - Boats with spinnakers.
- Division II - Combined non-spinnaker and competitive cruising boats division.
- Division III - Cruising boats with or without spinnakers.

Cruising Boats in Division III may fly a spinnaker. Competitors must declare their intention to fly a spinnaker and will be handicapped accordingly.

See 'Team Challenge' under 'Awards' below.

SAILING INSTRUCTIONS

Sailing instructions are available on the Smyrna Yacht Club web page or in print at the time of registration

VENUE

All courses will be set south of Ponce Inlet off the City of New Smyrna Beach in the Atlantic Ocean.

COURSES

Courses to be sailed will be listed in the sailing instructions.

HANDICAPPING

Racing will be handicapped according to the PHRF system administered by First Coast Sailing Association. Smyrna Yacht Club will act as intermediary for those sailors who do not have a FCSA certificate. If you had a FCSA certificate in 2018 you may apply direct for a renewal. Competitors should submit their FCSA certificate with their regatta application.

SCORING

Scoring will be done according to Appendix A of the Racing Rules of Sailing.(RRS) The Low Point System will be used. Three races are scheduled. Only one race must be completed to complete the regatta. All races completed will be scored. No scores will be excluded. Ties will be broken according to RRS section A8.

BERTHING

The outer docks at Smyrna Yacht Club have been rebuilt and docks will be available to visiting boats. Please make application for space on the Regatta entry form.

RADIO COMMUNICATIONS

Communication from the Race Committee with competitors will be primarily via VHF radio (on channel 72)

Except in an emergency, no vessel shall make or receive radio transmissions not available to all competitors. This restriction also applies to mobile telephones.

AWARDS

Trophies will be awarded to the first three places in each division. The winners of each division will be inscribed on the base of the historic Lipton Cup which is displayed in perpetuity in the Smyrna Yacht Club trophy case.

TEAM CHALLENGE

Any existing organization, such as a yacht club, sailing club, etc., is eligible to participate in the Team Challenge. To compete in the Team Challenge, the organization must have at least three boats entered in the Lipton Cup Regatta. The organization may nominate more than three boats, but must notify the Race Committee as to which boats are representing them before the first race.

There is no limit to how many boats an organization may enter and boats do not have to be entered in all divisions. They could, in theory, all be entered in one of the Divisions. Clearly, entering boats in all divisions increases the opportunity for improved team scores.

A perpetual trophy will be engraved with the name of the winning organization and will be held in possession of the winning organization until the following year's regatta. The winning organization will be known as the Lipton Cup Team Challenge Champion for the duration.

DISCLAIMER OF LIABILITY

Competitors participate in the regatta at their own risk. See Rule 4 of the RRS "Decision to Race." The organizing authority will not accept any liability for material damage or personal injury or death sustained in conjunction with or prior to, during, or after the regatta.

INSURANCE

Each competitor shall be insured with third party liability insurance with a minimum cover of \$300,000 per event or the equivalent.
