

The 69th Mug Race (May 6, 2023)

The fastest finish time in Mug Race history! Eric Roberts and crew on Double Deuce, an Aquarius Roberts 22 catamaran, finished in 2 hours, 53 minutes, and 28 seconds. Bill Roberts held the old record of 2 hours and 55 minutes.

A forecast of light wind turned out to be completely wrong. Soon after the start, the river was full of whitecaps. 73 boats registered, 68 started, and 61 finished. The last boat to finish crossed the line before 6 pm. Many competitors said it was their best Mug Race ever

A great number of volunteers from the Rudder Club, Palatka Yacht Club, and the Jacksonville Sail and Power Squadron came together to run the event. Our thanks to all of them.
