7 RACING AREA

The racing area will be in the St. Johns River between the Buckman Bridge to the south and the Fuller Warren Bridge to the north as depicted on NOAA Chart 11492.

8 THE COURSE

- 8.1 Around the buoy courses will be as depicted on addendum "A" showing the approximate angles between legs, the order of rounding, and the side on which each mark is to be left. The designation shall consist of two letters.
- 8.2 The course for a distance race will be displayed as numbers designating government navigation or First Coast Sailing Association marks as depicted in addendum B . An orange inflatable mark set to windward as a windward mark will be designated as "W."
- 8.3 The course for each class will be displayed on a white board located aft on non-course side of the committee boat.
- 8.4 If the Race Committee sets a gate instead of the Leeward Mark , boats shall sail between marks forming the gate from the direction of the last mark and round either the port mark leaving it to port or the starboard mark leaving it to starboard.
- 8.5 If the Race Committee sets an offset mark in the vicinity of the windward mark, boats shall sail around both marks leaving them on the prescribed side.

9 MARKS

Marks 1, 2S, and 2P will be yellow cylinders. Mark 1L will be an orange cylinder. Mark 1L offset, if set, will be a red ball. A new mark laid in accordance with Change of Course procedures will be an orange cylinder. The start mark will be an orange flag on a floating pin and the finish mark will be a blue flag on a floating pin.

10 START

- 10.1 The Starting Line will be a line between an orange flag flown on the Race Committee/Signal Boat and a mark set toward the left side of the course from the Committee Boat relative to the first leg of the course.
- 10.2 Boats whose warning signal has not been made shall avoid the starting area.
- 10.3 A boat crossing the start line, as if to start, later than 5 minutes after her starting signal will be scored "Did Not Start." This changes RRS A4.

11. CHANGE OF COURSE AFTER THE START

To change the position of the next mark, the race committee will move the original mark (or the finishing line) to a new position. The change will be signaled before the leading boat has begun the leg, although the mark may not yet be in the new position. Any mark to be rounded after rounding the moved mark may be relocated without further signaling to maintain the course configuration.

12 THE FINISH

The Finish Line will be between an orange flag flown on the Race Committee/Signal Boat and a mark set toward the left side of the course from the Committee Boat relative to the final leg of the course (opposite side of the committee boat from the starting line). This is to accommodate conducting starts for some classes while others are finishing.

13 TIME LIMIT

The time limit for the first boat in each one design, round-the-buoy class to finish is 90 minutes from her start. The time limit for the first boat in each Portsmouth and PHRF, round the-buoy, class to finish is 90 minutes. One design boats failing to finish within 30 minutes time of the first boat in their class will be scored Did Not Finish. Portsmouth and PHRF boats failing to finish within 30 minutes corrected time of the first boat in their class will be scored Did Not Finish. This changes rules 35 and A4.1. The time limit for PHRF boats racing a distance river race around navigation buoys is 180 minutes.

14 PROTESTS AND REQUESTS FOR REDRESS

- 14.1 Protests shall be written on forms available at the Rudder Club or the US SAILING Web Site. They shall be filed with the Protest Committee. Protest time will end 90 minutes after the last boat has finished the last race of the day. Protests will be heard in the approximate order received.
- 14.2 Protest notices will be posted on the electronic and physical Official Bulletin Boards within 30 minutes following the protest time limit.
- 14.3 Appendix T of the RRS, Arbitration, is in effect.

15 SAFETY

- 15.1 On the first race of each day, boats shall attempt to check in with the Race Committee by sailing past the committee boat on the noncourse side prior to their class Warning Signal.
- 15.2 Boats withdrawing from a race prior to finishing a race or retiring before racing has ended for the day shall make every effort to ensure that Race Committee is notified that they have dropped out
- 15.3 All competitors are required to conform to the U.S. Coast Guard regulations and the RRS concerning personal floatation devices and other required equipment.
- 15.4 Boats shall not impede the passage of a vessel which can safely navigate only within a narrow channel, and give way to commercial fishing vessels while fishing or vessels with restricted ability to maneuver.
- 15.5 In accordance with RRS 42.3(i), providing no significant advantage is gained, a boat may employ propulsion using an engine or other method to remain clear of or not impede the passage of a vessel restricted in its ability to maneuver when required by the Inland Rules.

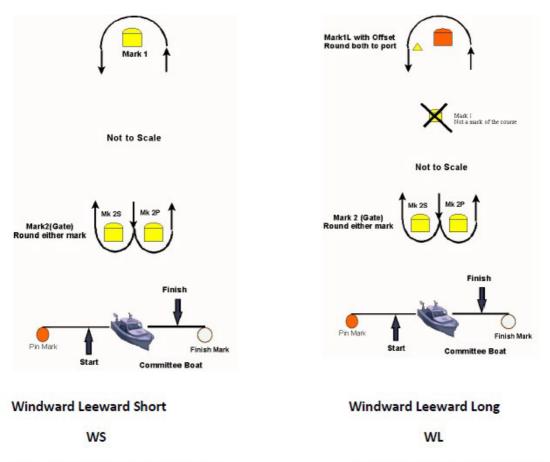

16 SCORING

The Low Point Scoring System of appendix A will apply. PHRF classes will be scored PHRF time on time. Open classes will be scored in accordance with the Portsmouth Yardstick (HC) System. One race must be completed to constitute a series. A boat's series score will be the total of her race scores. If 6 races are completed a boat's worst score will be discarded.

17 PRIZES

First, second, and third place prizes will be awarded in classes of more than five finishing yachts. First and second place prizes will be awarded in classes of four to five finishing yachts. A 1st place prize will be awarded in classes of three or less finishing yachts. Prizes will be awarded on Saturday 16 March.

For this discussion – Assume Cruiser Class boats coming from miles away and opting not to attend the "Optional" Skippers Meeting per SI 5.3

Answers in italics

- SI 3.0 Says communications and or changes may be made from the water. What VHF Radio Channel are you planning to use ? 72
- SI 7.0 Racing Area Where will the start be ? In the vicinity of ?

Depends on the wind. Usually as close to the club as possible with an upwind leg of at least half a mile. If you want to gather off the Rudder Club, you will see us come out SI says between the Buckman and the Fuller Warren Bridges, that's pretty broad. Can you give a better location considering boats coming from miles away ? Or should we congregate at a certain place and the committee boat will lead us to the starting area ?

NOR 5.0 Says three races – Also for Long Distance Races ? *Cruisers will have a single distance race*

- SI 5.0 Same question 3 races for Distance Races ?
- SI 6.0Class Flags Indicates a possibility of 7 Starts.Can we assume the starts will be in this same order ?

Probably Performance and Cruisers first

What is the starting time separation between Starts – 5 minutes, 10 minutes ? Not rolling starts, but about a minute gap between 5 minute sequences

SI 8.3 The course will be displayed on a white board on the Committee Boat When will the board(s) be presented ? What time ? At skippers meeting. I can announce on radio after that.

Will there be 7 white boards on the committee boat, one for each class ? Or will the board be changed after each start ? Changed after each start

You are probably aware that :

SI 3.0 Wrong Date ? yes

SI 5.3 Wrong Date ? yes

Comments :

It would be helpful if an example of a typical course board(s) were shown in the SI's.

?? Course board just lists marks (and sides to round) in order.

SI 8.1 and 8.2 It would be helpful if it could be determined if there will be a distance race for the PHRF (Cruiser) class boats, or not. Waiting for a white board on the committee boat does not seem logical.

Cruisers will have distance race—you always want that. Performance boats might have buoy races.
